Dear members of Bronkhorstspuit Golf Club.

Many Golf Clubs in South Africa are experiencing financial pressure and our club is not an exception. The budget for 2019/2020 indicates a monthly shortfall and we must find ways to raise additional income for the club. The shortfall does not include the accumulated debt of the past years.

The Committee is currently looking at various options to increase the monthly income of the club.

Therefore, Bronkhorstspuit Golf Club and Indwe Risk Services have engaged in an initiative that can be of financial value to you and to the golf club.

Indwe Risk Services manages insurance premiums of more than 2 Billion Rand per annum in terms of short-term insurance, Personal Insurance (Cars, House contents, Householders) as well as Business and Corporate Insurance.

There is a legal partnership between Indwe Risk Services and Bronkhorstspuit Golf Club, a reference fee on **ALL** new business with Indwe that use Bronkhorstspuit Golf Club as reference, will be paid to the club. This offer is **not only applicable on our members**, but also applicable to all colleagues, family, friends or businesses that wish to take advantage of this opportunity. Please speak to all people in your network about this opportunity.

Please contact Indwe Risk Services to test whether they can better your current financial insurance needs.

Please visit the Indwe Risk Services Website on www.Indwe.co.za

Please contact Richard Adams (Committee Member) on 0824517399 or email Richarda@indwe.co.za
Please use Bronkhorstspuit Golf Club as reference.

Bronkhorstspuit Golf Club is counting on your support for this initiative to ensure that this great golf club can continue to exist in the future.

Regards

Andre Pretorius
Bronkhorstspuit Golf Club Manager
