

Club Champs

1. The club champs will take place as per GNGU date.

3. The club champs for A, B and C divisions as well as seniors, ladies juniors and junior's u/13 will take place on the same day. This rule can change if the A and B divisions is a bigger group than normal. If this is the situation the seniors, ladies, juniors and C division will play the club champs on a different day than the A and B divisions. The date for the seniors, ladies, juniors and C division will be determined by the BGC committee.

12. If there is a dispute between a marker and player on a specific rule the player must play a second ball as well as his first ball. Both scores need to be on the scorecard. If the score that was made by the first and second ball is the same or not, it is still of the utmost importance that you declare the fact that you played two balls to the captain of the day. If you do not declare this you would be disqualified.

13. If any division's player is late for his/hers tee-off time you would be disqualified.
